

THE DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

7 July 1976

STATINTL

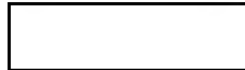

Dear Chuck:

This is a belated thank you for your phone call to me on the occasion of my new appointment. I held off writing pending the confirmation and swearing-in processes.

I very much value the association you and I have had together over the years in this great Agency and I feel confident about the future knowing the likes of you are around.

All the best.

Faithfully yours,

E. H. Knoche
